Hello,

The City of Regina and S.P.R.A. invite you to join us at the 2009 Saskatchewan Parks and Recreation Conference on October 22 to 24. The 2009 conference will host recognized keynote and session speakers as well as create opportunities to share ideas with volunteers, elected officials and professionals. We anticipate approximately 350-450 delegates to be in attendance.

The conference will be held at one of Regina's finest hotels in the hub of the city. Plan to join us for a top quality program, excellent networking opportunities, a professional trade show, tours that will showcase the latest and best of Regina, as well as planned activities for spouses and children of the conference delegates.
