**Trail #:** 08-0007

**Trail Status:** Operational

**Location:** Katepwa is located within the Qu'Appelle valley in southeast Saskatchewan along Highway 56.

**Description:** A winding trail through picturesque coulees takes you to the top of the valley for a panoramic view of Katepwa Point. Interpretive signs along the way explain the natural community of the valley hillside.

**Historical:** Legend says a young man was returning to his village late one night when he was startled by the sound of someone calling his name. He called out into the darkness in Cree, "Ka-tepwet?" When there was no answer, he called out again in French, "Qu'Appelle?" or "Who calls?" Again, there was no reply.

The next morning, upon arriving at his village, the young man discovered that his bride-to-be had died suddenly in the night. With her last words she had called out his name.
