**Trail #:** 08-0022

**Trail Status:** Operational

**Location:** Veregin is located in southeast Saskatchewan along Highway 5.

**Description:** Located 12 km east of the town of Kamsack, this section of the Trans Canada Trail passes through the village of Veregin.

**Historical:** Russian settlers known as the Doukhobors began immigrating to the eastern portion of Saskatchewan in the late 1800's.

Named after Peter Verigin, a community leader and activist, the village of Veregin was incorporated in 1912. Growth was steady, and the community quickly became an important grain delivery centre for the province.

However, a rift developed between the Doukhobors and the government which resulted in many of the settlers relocating to British Columbia beginning in 1908. As a result, the town suffered.

The community was dealt a significant blow in 2004 when much of the town was destroyed by fire.
