

Moose Jaw & Area Trans Canada Trail II:

Trail #: 08-0035

Trail Status: Non-operational

Location: Moose Jaw is located in southwest Saskatchewan along Highway 1.

Description: This section of trail travels north from Moose Jaw towards Buffalo Pound Provincial Park.

Historical: While difficult to pin down the exact history of the city's name, there are two main theories.

One theory is that Moose Jaw refers to a bend in the local river that resembles the outline of a moose's jaw.

The second theory suggests the name was derived from the Cree word *moosegaw*, which translates to "warm breezes." Situated in a valley, the city is generally a few degrees warmer than other communities in the region.
