

Smart Trails Workshop

Wednesday, Feb. 10 9:00am to noon
Leduc Civic Centre
#1 Alexandra Park, Leduc

Smart Trails Manual, Policies, Guidelines and Reports will be provided to attendees

Here is your chance to attend a practical workshop to learn about the risks and liabilities associated with multi-use trails as well as steps you can take to improve the safety and enjoyment of those using your trail system. Using many examples of trail injuries and liability losses, workshop leader **Doug Wyseman** drives home the need for written policies and procedures. Discussions will involve the many new challenges associated with Alberta trails and provide easy to follow steps to develop an effective risk management program for your trail. This workshop will benefit all people associated with park lands, trail associations, parks and recreation committees, risk managers and directors, supervisors, and staff. Sample comments:

"Thanks so much...this course should be mandatory for everyone involved with trails!!"

"Excellent real world scenarios drive home important message...super manual"

About the Presenter: *Doug Wyseman* has been involved in risk management since 1973. He has presented parks and recreation related workshops all over North America and has provided information for such groups as the American Trails Association and the Trans Canada Trail. Doug has worked in the public sector as risk manager for a large Canadian municipality and in the private sector for insurers of municipalities and trail organizations. He has served on the Board of Directors of the Canadian Parks and Recreation Association where he has assisted trail associations and governments with multi-use trail issues. Other than the *Risk and Trails* manual, Doug has written six other manuals for Parks and Recreation including:

Risk and Recreation

Risk Management & Skateboard Parks

Managing Winter Risks

Signs Handbook for Parks and Recreation

Safe Parks for Summer

Golf Liability Risks
